Do the right thing

A, B, C, or D = alcohol emergency

• **A (Alert):** inability to rouse a person with loud shouting or vigorous shaking; inability of a person who was passed out to stay awake for more than 2–3 minutes; vomiting while passed out; not waking up after vomiting; incoherent while vomiting

• **B (Breathing):** slow or irregular breathing; lapses in breathing; weak pulse; very rapid or slow pulse

• **C (Color, Clammy):** skin color is “off”; lips are bluish; skin feels clammy or cold

• **D (Doubt):** unsure what’s happening; possible head injury; may have consumed other drugs

Do the right thing: Call 911

• Campus protocol and New York State law protect you when you call 911 for help.

• The law/protocol may apply to the person in need of help, as well as the person or group placing the call for help.
